### Safety Instructions

- 1.Read Before Use:** Before using the clippers, read all safety and operating instructions.
- 2.Electrical Safety:** Ensure that the voltage indicated on the rating label matches your electrical outlet. Do not immerse the appliance in water or any other liquids to avoid electric shock.  
**WARNING: Keep the appliance dry.**
- 3.Supervision:** This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- 4.Regular Checks:** Periodically check the clippers for damage. If the appliance or power cord shows any sign of damage, do not use it. Contact the service center for repair or replacement.

- 5.Regular Maintenance:** Disconnect the clippers from the power source before cleaning, changing accessories, or performing any maintenance. Keep the blades clean and well-oiled to avoid overheating and ensure optimal performance. Replace blades as needed.  
**WARNING: Cutting blades may become hot after prolonged use.**
- 6.Storage:** After use, unplug and store the clipper in a dry place, away from pets and children.
- 7.Handling:** Avoid touching the blades directly with your fingers. Always switch off the appliance when not in active use.
- 8.Use for Intended Purpose:** These clippers are designed for trimming pet hair only. Do not use them for any other purpose.
- 9.Disposal:** Dispose of the clipper and its accessories according to local regulations for electronic waste.
