Safety Instructions

1. **Read Before Use:** Before using the clippers, read all safety and operating instructions.

2. **Electrical Safety:** Ensure that the voltage indicated on the rating label matches your electrical outlet. Do not immerse the appliance in water or any other liquids to avoid electric shock.

WARNING: Keep the appliance dry.

3. **Supervision:** This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.

4. **Regular Checks:** Periodically check the clippers for damage. If the appliance or power cord shows any sign of damage, do not use it. Contact the service center for repair or replacement.

5. **Regular Maintenance:** Disconnect the clippers from the power source before cleaning, changing accessories, or performing any maintenance. Keep the blades clean and well-oiled to avoid overheating and ensure optimal performance. Replace blades as needed.

WARNING : Cutting blades may become hot after prolonged use.

6. **Storage:** After use, unplug and store the clipper in a dry place, away from pets and children.

7. **Handling:** Avoid touching the blades directly with your fingers. Always switch off the appliance when not in active use.

8. **Use for Intended Purpose:** These clippers are designed for trimming pet hair only. Do not use them for any other purpose.

9. **Disposal:** Dispose of the clipper and its accessories according to local regulations for electronic waste.

while charging
5V

red light flashing

Runtime
2 speed

Red light is always on

full charge
3 hours

Red light turns white

The length of the white light bar represents the remaining power

How to Load and Unload the Comb

How to Load the Comb

As shown in the left figure, hold both sides of the comb, align them to the slots, and then push them into the slots (Note that the comb should be secured with no risk of being loose or falling off).

How to Unload the comb

Push up and down the comb with your hands

How to clean

1. Push and unload the cutter head with your thumb
2. Clean the residue in the cutter head with the brush (do not disassemble the cutter head spring, which may cause malfunction)
3. After cleaning, apply 1-2 drops of lubricant oil into the 5 positions of the cutter head as shown above, and then reload the cutter head (Make sure you have aligned it to the slots, then press hard until you heard a "click")

Note: Please adjust the adjusting Lever to the to the middle (1.0mm) position before reloading the cutter head

Precautions for Use

1. Please do not disassemble the product.
2. The hair clipper can not be washed. Please keep it away from wet conditions.
3. The product can only be cleaned with a cloth with little water or a mild soap solution.
4. Do not charge the product in an environment above 40°C or below 0°C.

※ **The appliance may become hot during use or charging, which is normal.**

Contact Us

WE ARE READY TO HELP

oneisall offers a standard 2-year warranty. If you have any issues with your oneisall product, please do not hesitate to contact us. Be sure to include your proof of purchase, model number, and any relevant photos or videos in your message to expedite the process. Our oneisall support team is available 7 days a week and will respond to your inquiry within 24 hours. Thank you for choosing oneisall.

Please note that the oneisall warranty does not apply to used products or purchases made from unauthorized sellers. It's important to be aware that the warranty also does not cover consumable parts such as blades, guards, filters, brushes, and similar items. These parts may require regular replacement or maintenance.
